

Safeguarding Statement

Governor Committee Responsible:	Full Governing Body	Governor Lead(s):	Lesley Crompton
Status	Statutory	Review Cycle	Annual
Last Review	1 September 2023	Next Review Date	1 September 2024

Introduction

The most important duty of the School is to ensure the safety of the children in its care. To this end, the Governing Body has developed a suite of policies which support the safety and well-being of all.

The purpose of this statement is to collect, in one place, all of the arrangements for ensuring the safeguarding of the children at the School. In doing so, there is a risk of duplicating information produced and held in other places. To avoid this risk, while this document is intended to be comprehensive in dealing with all matters relating to safeguarding, it should merely signpost relevant policies and procedures if they are already extant elsewhere.

Definition of Safeguarding

The School mirrors Ofsted in its recognition of the definition of the term 'Safeguarding' used in the Children Act 2004. In summary this is:

- protecting children from maltreatment;
- preventing impairment of children's health or development;
- ensuring that children are growing up in circumstances consistent with the provision of safe and effective care; and
- undertaking that role so as to enable those children to have optimum life chances and to enter adulthood successfully.

Aims of the Schools' Safeguarding Arrangements

Charlton Kings Junior School shares the principles of Gloucestershire Safeguarding Children Partnership (GSCP) and is committed to the following:

"All children deserve the opportunity to achieve their full potential To achieve this, children need to feel loved and valued, and be supported by a network of reliable and affectionate relationships. If they are denied the opportunity and support they need to achieve these outcomes, children are at increased risk not only of an impoverished childhood, but of disadvantage and social exclusion in adulthood. Abuse and neglect pose particular problems."
