1. Next I would like you to create your ideal timetable – you must include all the subjects you have learned, plus the days of the week in French and the times of each lesson, but you can arrange the subjects and spend as much or as little time on each one as you wish.
2. Lightly colour on each section with the following colour key –

J'adore = rouge

J'aime = bleu

Je n'aime pas = jaune

Je deteste = vert
